Dear Troop 90,

As long as we are in a "Distance Learning" protocol in the school systems, Troop 90 will not physically meet. Therefore, there is no Troop 90 meeting next Monday night. When the scouts resume on-campus classroom instruction, Troop 90 will resume in-person Monday meetings. Our website, [mytroop90.org](http://mytroop90.org), will always have the latest information.

We are considering holding virtual meetings especially on scouting topics. Stay tuned for more information.

The Crossover Camping trip for March 28-29 is still in discussion. We are considering making it a single day event with all of the elements of camping (set-up, cooking, clean-up, activities, pack-up, etc.). A final decision on the trip will depend on how this virus outbreak evolves. Scout safety is paramount. More to follow in the coming days.

**Assignment for Scouts:**

We would like the patrols to meet virtually this weekend (conference call on phones or possibly using free videoconferencing platforms like Zoom Videoconferencing (laptop) or Zoom Cloud Meetings (phone app)). Patrol leaders coordinate. Adult leaders will give the SPL/ASPLs guidance on how to help the patrol leaders conduct such a meeting.

- We would like each patrol to submit a Meal Plan for crossover camping consisting of a cooked lunch and a cooked dinner. The roster is attached so you know who is going.

- Please send your completed meal plans on Monday to the SPL. James will forward the meal plans to the adult leadership for review.

Thank you for your flexibility and understanding during this virus outbreak.

Yours in scouting!

Mr. G
